**DECLARATION UNDER 37 C.F.R. § 1.132**

The undersigned individually declares as follows:

1. I am an attorney with the law firm of Kenyon & Kenyon, a duly appointed representative of the inventors and the assignee of the above-captioned patent application in the United States.
2. The above-captioned patent application was drafted by James Cross of R.G.C. Jenkins & Co., a duly appointed representative of the inventors and assignee in the United Kingdom. On February 12, 2001, Mr. Cross sent a draft of the application to inventor Justin Moodie via e-mail. Mr. Cross has sent me a copy of the e-mail and the draft application, both of which are attached hereto as Exhibit A.
3. The draft patent application discloses the subject matter claimed in the above-referenced patent application.
4. All statements made of my own knowledge are true and all statements made on information and belief are believed to be true and all statements made herein are made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. § 1001), and may jeopardize the validity of the application or any patent issuing thereon.
